Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Performance returns for all funds are net of fees and operating expenses except for United Pools and United Corporate Class Funds which are gross of fees and net of operating expenses. Please refer to the Legal section of Assante.com for additional information. \*Assets under management are as at the end of the most recent quarter ending March 31, June 30, September 30 or December 31.
